Path of Steel Information

Format: Standard

Round Time: 60 minutes, plus 5 minutes of overtime (up to 3 turns)

Day 1 : There will be 9 Swiss rounds on Day 1. At the end of Day 1, all players with fewer than 18 points will be eliminated.

The decklists of the Day 2 players will be revealed Saturday evening after Day 2 placements are finalized.

Day 2 : All players qualified for Day 2 will be able to check-in from 8:00 AM to 8:45 AM, where they will present their decks to judges for deck checks. Any player who arrives after the allotted time will automatically receive a game loss. After each deck check is complete, the judging team will collect the deck and hold it until the beginning of the first round.

The event continues with 5 more Swiss rounds. After Round 14, the Top 8 will compete in 3 rounds of single elimination.

For single elimination rounds, the higher-seeded player will choose who goes first in Game 1 of that round.

For Swiss rounds 1 to 14, players will be rewarded with 50 Ascent Store Tickets per match win.

FEATURE MATCH POLICY

Prior to the start of a round, you may be invited to participate in the Ascent Feature Match, streamed on the official Grand Archive TCG channels. Failure to appear for the Feature Match will result in a match loss for that round.

Players who participate in the Feature Match will receive 1 Complimentary Event Pack and 100 Ascent Store Tickets.

Wonderland Queens' Assembly

"Are you here? We've been waiting for you."

In Wonderland, the Queen's horn sounds, and a unique meeting is about to begin.

Every player is an invited guest.

Here, you'll play games with the Queen, interact with her, and even challenge her trials.

Prepare to face the Queen's test and write your own chapter in Wonderland!

Players can purchase a Wonderland Ticket for NT\$200.

Each Wonderland Ticket allows you to line up and challenge any one of the "Queens" once.

Both the player and the Queen will each draw 5 cards from a deck and reveal them.

The winner is determined by comparing poker hands (if both hands are the same type, the higher suit wins).

- If the player wins, they will receive a mysterious gift.
- If the player loses, they will receive 1 DTR booster pack.

Rules:

- Each ticket may only be used for one entry in the queue.
- Hand rankings follow Texas Hold'em rules, except suits have hierarchy: Spades ♠ > Hearts ♥ > Diamonds ♦ > Clubs ♣.
- Physical contact with the Queen is prohibited, but photos are allowed.
- In the event of any harassment on site, the police will be notified.
