Path of Silver Collection Event

Participants will display a collection of 50 cards, which will be graded based on their thema scores. Collections are ranked based on their total thema score as well as their individual thema scores in the Mystique, Ferocity, and Charm categories.

Submitting specific collections of cards can also unlock set bonuses, increasing your collection's overall score! **Set bonuses will be revealed on Saturday at 9:00 AM** via Omnindex. Certain sets will also include hidden cards that must be guessed by the community to be revealed. Each participant will start with 1 guess, gain 1 additional guess per hour, and can store up to 3 guesses. Each correct guess awards 1 .asphodel/paradise Booster Pack, redeemable at the [Silver Redemption] station. **Guessing will end on Saturday at 10:00 PM.**

Submissions are finalized at 9:00 AM on Sunday. The cards displayed on your dashboard at that time will be locked in as your final collection. Competitors who qualify for Top Thema or Top Overall consideration will be assigned a seat number for their collection check.

Collection checks take place on Sunday from 11:00 AM - 12:00 PM across from the [Silver Redemption] station. Competitors who are not assigned seats should stay nearby and listen for announcements, as they may be called to step in if a seated competitor drops from a category.

In case of a tie for top placing collections, tied participants will add cards from their personal collections until the tie is broken. Set bonuses are not applied to these cards. Competitors who tie, but do not place will receive 3 FOIL Polishing Flourish promos as a reward.

Results will be posted at the [Silver Redemption] station by 4:00 PM. Top 8 Overall and Thema winners will be awarded during the Closing Ceremony!
