ASPHODEL / PARADISE

World Setting

All in this world knew of the goddess named Harmonia, She who had flown across the heavens in search of a home until She saw their humble world—Asphodel, a brilliant flower amidst the abyss of night. They say She loved it so much that She gifted it the power of song, erected towns for its people, and even became mortal to live amongst them as an equal. On most of the planet, the Primum Ordo endures as steward of the Good Lady's tale, and villages such as Leran still carry Her ancient melodies on their breath. But in the towering city of Dis, Her name has long been taken in vain—until even Her song slipped beyond hearing and, before long, beyond remembrance.

Conflict

The founding of DisCorp 160 years ago was believed to be the true founding of the city of Dis. Yet with the rise of that spiraling metropolis came the downfall of Asphodel: As the city redirected leylines to enrich itself, crops turned to rot and people developed strange disorders. The emergence of Aenean Disorder was one of the many trumpets heralding the end. As our heroes descend into Dis, they must reach its depths to uncover the truth... before the world consumes itself.

The Grand Archive

In this world blessed by the Goddess Harmonia, the Champions will find their wills contested by their emotions as its divine cantation lures them into the depths of the hellish Tower of Dis. Whether they follow the ghost of a man thought long dead, a heavenly edict, or an ancient song, it becomes clear to all that fear and desire are two sides of the same coin and that the road paved with good intentions can lead to hell. When the final trumpet resounds, only their hearts will decide whether they can grasp redemption or burn out in a brilliant inferno.

.asphodel/paradise (PRD1E) Booster Pack

A world blessed by a mysterious goddess named Harmonia. On Asphodel, music and emotion rule all factors of life—but our Champions will quickly learn it is all too easy to drown out the melody of the heart in a city where the hustle and bustle overwhelms the truth within. They will need to traverse each district of the infernal Dis, confronting every discarded dream and broken promise paving their way, to find the cold hard truth. One can only pray they can hold onto what they love without losing their way.

.asphodel/paradise is a standard set that supports all seven classes, with a focus on the Warrior and Mage classes.
